To Whom It May Concern,

As per instruction of the municipal warrant Article 41 below, please recognize the municipal vote in favor of enactment of carbon-pricing legislation.

Article 41: To see if the town will authorize the Board of Selectmen to convey to state legislators, Members of Congress, Governor, and President of the United States that the town hereby calls upon our Federal elected representatives to enact carbon-pricing legislation to protect Maine from the costs and environmental risks of continued climate inaction. To protect households, we support Cash-Back Carbon Pricing that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis with monthly dividend checks. The record of the vote approving this article shall be transmitted by written notice to the above mentioned parties by the Board of Selectmen within 30 days of this vote.
